

# EXPRESS RECOVERY™

## GETTING YOU BACK TO PRE-LOSS CONDITION

Express Restoration understands how critical it is for businesses to resume regular operations after a disaster. Our team will help you customize an emergency preparedness and response plan.

The Express Recovery™ program includes a thorough building assessment and walkthrough to help you identify risks, create a plan, educate employees, and document safety guidelines.

We ensure that your entire organization is prepared in the event of a disaster. Our team will develop a detailed and customized disaster response guide in case of emergency and unforeseen events.

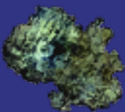

### Our Professional Services Include 24/7/365 Responsiveness For:
