The failure to secure and maintain or add by endorsement the Indemnified Parties shall not act as a defense to the enforcement of the terms of this Agreement. Any failure to provide the agreed endorsements shall entitle EFM to terminate this agreement or to acquire coverage necessary to protect Owner and EFM from the failure and charge the cost thereof to the Service Provider. EFM may require additional coverage if the work to be performed is, in EFM's or Owner's judgment, sufficiently hazardous. Service Provider shall require or provide the same minimum insurance requirements as listed above from all of its subcontractors unless otherwise agreed by EFM in writing.
